

2018 California Pacific International Exhibition of Photography

PSA Exhibition # 2018-270

We want to thank all those who worked hard to make this, the 4th year of the Cal-Pac happen: Members of the San Luis Obispo Camera Club in central California were the backbone of the crew which did the work needed to make it success! Leading this group was Nyla James as the General Chair of the 4th Cal-Pac, assisted by Ross and Donna Henderson-McBean, Karen Peterson, Jennifer Lawrence, and all those who judged the fine images! We also must thank Howard Zetulove of Arizona for his very valued work on the forms used by the entrants to enter, and the Central Coast Board of Realtors for the use of their facilities for the judging.

This stand-alone photographic exhibition was run and presented by the San Luis Obispo Camera club and offered 6 PSA approved digital sections:

P.I.D. Color, 'Open', judged by Ramona Cashmore, Susan Cowels, and Karen Peterson.

P.I.D. Color, 'People', judged by Ramona Cashmore, Susan Cowels, and Karen Peterson

P.I.D. Monochrome, 'Open', judged by Ramona Cashmore, Larry Cowels, and Karen Peterson.

P.I.D. Monochrome, 'Scapes', judged by Ramona Cashmore, Larry Cowels, and Karen Peterson.

Nature Open was judged by Susan Cowels, Robert Ginn, and Ed E. Powell.

Photojournalism, 'Environmental Issues', judges, Susan Cowels, Robert Ginn, and Ed E. Powell.

All the judges were from the United States and are regularly members of judging panels!

There were a total of 1972 digital images entered in the 6 sections, with 508 images in PID color 'Open', 324 images entered in PID color 'People', and with 415 images in PID monochrome 'Open', and there were 220 images in PID monochrome 'Scapes'... There were 373 Nature images, and in PJ 'Environmental Issues' there were 134 entries. The judging took place over a Friday and Saturday in Arroyo Grande, California, and the presentations were at the Santa Maria, and the San Luis Obispo Camera Clubs. We anticipate at least 3 more showing in central California this year.

The acceptance percentage rates per section were as follows:

PID Color Open = 36%; PID Color, People = 28%; PID Monochrome Open = 36%;

PID Monochrome Scapes = 30%; Nature Open = 38%, and PJ Issues = 32%.

The sponsors of this International Exhibition of Photography have been awarded Recognition by PSA, the world's largest patron of international photographic exhibitions. PSA, although it has provided recognition, is neither a sponsor nor directly involved in the operation of this exhibition.

Valid acceptances received by PSA Members in recognized sections of this exhibition are eligible for PSA Star Ratings, listing in the world-wide PSA Who's Who of Photography and credited towards the PSA Distinctions of QPSA, PPSA, EPSA, MPSA, MP2SA, GMPSA, GMPSA/B, GMPSA/S, GMPSA/G, and GMPSA/P.

PSA is a non-profit organization promoting the advancement of photography in all its forms to novice, amateur and professional photographers worldwide.

For information on membership and the many services and activities of PSA, contact:
